PHẠM QUANG THIEN – Java Software Engineer

Phone: (+84) 867.857.838 | **Email**: phamquangthien.syntaxerror@gmail.com

I'm a dedicated and experienced Java Software Engineer with a strong background in Web Development. I have almost five years of software development experience, I have honed my skills in Java, Spring Framework, and Agile methodologies. I am passionate about solving complex problems and am always eager to learn new technologies and best practices to become a better engineer.

I am seeking a challenging role at a forward-thinking company where I can contribute my expertise and drive innovation.
